

WKW BAK-PAK® CARBIDE KNIVES

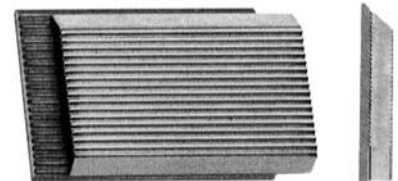

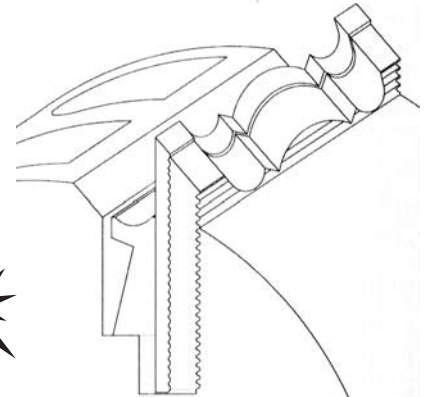

BAK-PAK® the Premium Knife System

The BAK-PAK® Carbide Knife System features a two piece matching system that incorporates the best grade of micrograin carbide on the market, polished to a mirror finish, and a matching high speed steel corrugated backing plate. Together, this premium knife system will outperform, out-cut and out produce any other moulder head knives or competing carbide knife system anywhere.

Benefits:

- Full Corrugations • Premium Carbide • More Sharpenings • Abrasion resistant
