

SCMI 746 PROFILE GRINDER ACCESSORIES

Wood Tech Enterprises stocks various replacement parts for both the SCMI and older style Foley profile grinders. SCMI has made many modifications to the original Foley machine. Should you have any questions concerning which part is correct for your machine, please contact us for assistance.

Grinding Wheels are available in a multitude of grit options and are available in 1/8", 1/16" and 1/4" thicknesses. All wheels are 10" diameter with 1 1/4" bore. Other sizes are available from stock. (See page 115.)
