

MOLDER BED LUBRICANT

Our Moulder Bed Lubricant does the job!

- Eliminates sticking and friction...keeps material moving
- 100% liquid
- Paintable: will not interfere with finish or cause "Fisheyes"
- Specifically formulated for the furniture and millwork industry
- Made for use on automatic bed lubricant applicators on today's high speed production moulders.

Product Number	Description
MBL40-1	1 gallon
MBL40-5	5 gallons
MBL40-55	55 gallons

LUBRICANT PUMP

Mechanical One-Shot Oiler for Moulder Bed Lubrication

Product Number	Description
Lube Pump	1-shot Oiler – complete w/manifold & fittings
WAD-K3077936	4 x 2 mm clear tubing (sold by the foot)

AUTOMATIC LUBE PUMPS

For use on moulders and other machinery.

- Motor-driven Piston Pump
- Manual Control Knob and discharge setting
- Electric synchronous timing motor
- Built-in gear reduction controls operational cycle time
- Supplied with low oil level switch

Product Number	Description
LUBER-AUTO 27.7	Automatic Lube Pump for Moulders, 110v/60Hz 1.8L Reservoir, 27.7 min cycle time
LUBER-VARI 3L	Variable Rate Luber Pump, 110v/60Hz 3.0L Reservoir, .01 second to 100 hours cycle time increments

WAXILIT

TABLE LUBRICANT

Product Number	Description
WAXILIT - 1	5 Kg Can
WAXILIT - 5	20 Kg Can

CUTTER-GUARD

TOOL & MACHINERY CLEANER

Product Number	Description
CUTTER-GRD-1	1 Gallon
CUTTER-GRD-5	5 Gallon
