

## WKW Corrugated Knife Stock

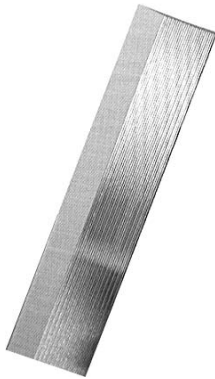

(All bars are 25" long)

**Wisconsin Knife Works, Inc.**

We stock 16-60° and 16-90° Corrugated bars. To order, please add a "6" to the end of the part number for 60° corrugations or "9" to the end of the part number for 90° corrugations. Please note: 60° corrugated steel is more widely used.

For example: Part number WKW52006 is a "M-2 HSS bar" that is 5/16" thick with a 2" knife height and has 60° corrugations.
