

## 25" Bars 60 Degree Corrugations

### QUALITY-CUT™ M-2 The Cutting Edge!

- Manufactured from the finest quality M-2 HSS to grind easier and last longer.
- State-of-the-art heat treatment, using the latest vacuum furnace technology, assures you uniform hardness of 62 to 64 Rockwell "C."
- Surface-ground for uniform thickness for balance and a superior sharp edge.
- Precision CNC crush-ground 60 degree corrugations to ensure accurate knife position and a secure fit.
- Available in 25" standard knife bar lengths, or custom cut to your specifications.

### WOOD TECH (USA Made) M-2 HSS KNIFE STEEL (60° Corrugations)

Knife Height	1/4"	5/16"
1-1/4"	HSS41256	HSS51256
1-1/2"	WTE41506	WTE51506
1-3/4"	WTE41756	WTE51756
2"	WTE42006	WTE52006
2-1/4"	WTE42256	WTE52256
2-1/2"	WTE42506	WTE52506
2-3/4"	N/A	HSS52756
3"	N/A	HSS53006
3-1/4"	N/A	HSS53256
3-1/2"	N/A	HSS53506

The economical solution  
to low cost  
import steels!
